Bäder für die Sinne. Bagni per tutti i sensi.

## Your Specialist for Italian Bathroom Furnishings

Termocenter, based in Bolzano, brings over forty years of experience in Italian bathroom furnishings.

For more than four decades, our mission has been to offer our customers the finest products from renowned Italian manufacturers such as Antonio Lupi, Agape, Falper, Rexa, Cea, Fantini, Flaminia, Zazzeri, Zucchetti/Kos, Tubes, Vola, Inda and Rapsel.

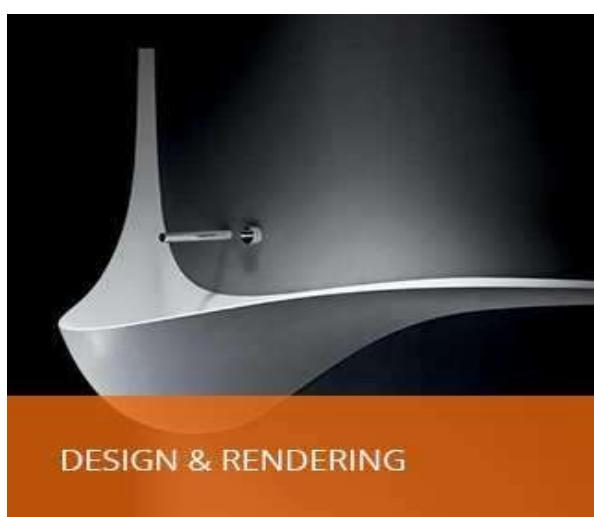

In addition, we carefully select lesser-known brands distinguished by highly innovative design, exclusive niche products or unique, specialised items. These include Moma Design, Art Ceram, Simas, Valdama and many others.

Our product portfolio ranges from designer bathroom furniture and fittings to bathtubs, showers, washbasins and much more.

Our location in Bolzano serves as an ideal bridge between Italy, Austria and Germany. Being close to the manufacturers allows us to stay continuously and thoroughly informed about the latest developments and innovations. At the same time, our proximity to the German-speaking market enables us to advise our clients in their native language and to organise international deliveries smoothly and efficiently.

Our spacious and conveniently located showroom offers you the opportunity to experience the beauty and quality of our bathroom products in person – not just on paper.
