### **Description:**

Peintner Fliesen und Böden GmbH is a strong South Tyrolean partner that stands for professionalism, quality and reliability. We are the right contact for the realisation of your dream projects: from the professional laying of floors and tiles in outdoor and indoor areas to the construction of swimming pools and the design of outdoor areas. Since 2023, we have also expanded our activities to include online trading (peintner.shop) and can thus offer an even wider range of products.
